Informational letter

DEAR COLLEAGUES!

The Far Eastern Federal University, together with the Far Eastern Regional Scientific Center of the Russian Academy of Education, invites you to take part in the XIV All-Russian Scientific and Practical Conference "National Priorities of Modern Russian Education: Problems and Prospects."

The conference will be held on May 12, 2021 in Vladivostok on the Russian Island on the FEFU campus.

The purpose of the conference is to discuss key pedagogical problems, find ways to solve the problems of the development of modern education, generalize professional pedagogical experience, replicate the best educational practices and establish professional contacts.

Scientific and pedagogical workers from scientific institutions, educational organizations of higher and secondary professional education, doctoral students, graduate students, applicants, teachers, psychologists and heads of general education schools, employees and heads of institutions of additional education, as well as representatives of other non-profit organizations, whose activities are associated with the implementation of educational activities of children and adults, are invited to participate.

The main aspects of the conference:

- Key problems of education in the world: answers to the challenges of our time
- Pedagogical education in the era of uncertainty.
- Modern school: from tradition to innovation
- Personal development in education: from mass to individualization and success of each child
- Digitalization of education: challenges and prospects
- Young professionals: from start to professional career
- Mission is feasible: how to achieve leadership in the quality of education
- Education of children and adults with special needs: problems of personnel and methodological support
- Teacher-educator mission in the 21st century.

Conference working languages: Russian, English

Form of participation: face-to-face (orally and poster reports), correspondence and remote (on-line). Reports can be presented in person, written and video format. The video report can be recorded by the participant on any media carrier and sent to the conference organizers. The report should not exceed 10 minutes.

Applications for participation in the conference and original copyright articles issued in accordance with the requirements to be sent by April 30, 2021 by e-mail to: e-mail: pedagogikafedra@mail.ru
