# Summer 2023 Intensive Japanese Language and Culture Course Course Guide

Kansai University (KU), known as one of the leading universities in Japan with long history of over 130 years, is a comprehensive private university with 13 undergraduate, 13 graduate programs, and 2 professional graduate schools. There are over 30,000 students enrolled at the university including more than 1,200 international students. KU campuses are located in Osaka. They are about an hour train ride away from Kyoto, Kobe, and Nara.

Under the new vision for internationalization, KU opened Minami-Senri International Plaza in April, 2012. We are now offering an Intensive Japanese Language and Culture Course (IJLC) in summer and winter.

In IJLC Summer 2023, we will offer a face-to-face course in Japan. We provide a Japanese culture experience session and a field trip as well as instruction in Japanese as a second language. Participants will learn Japanese language, and understand Japanese culture and society from various perspectives. Another feature of the IJLC is that the participants can feel more familiar with Japan through interacting with KU students.

Why don't you come in contact with the practical Japanese language and various aspects of Japanese history and culture at Kansai University located in Osaka, the largest city in western Japan?

- Make a home away from home-Make friendships you will treasure for life!
